

Many DMV and other services are available online 24 hours a day, 7 days a week. Choose the service you need below.

[Change Your Address](#) - Moved? Update the address on your vehicle record to make sure you receive important mail about your vehicle.

[Find a Job](#) - Click here to find opportunities for you to make a difference by working for Utah's state government.

[Impounded Vehicle Service](#) - Click here if you need help locating or retrieving an impounded vehicle.

[On The Spot Station Lookup](#) - Click here to find an inspection station near you that can also renew your registration while you wait!

[Personalized Plate Search](#) - Use this tool to not only check if the wording you want is available, but also how it would look on different types of license plates.

[Renewal Express](#)  - Don't want to wait in line? Renew your registration online!

[Report a Sold Vehicle](#) - If you've sold a vehicle, you should have your registration canceled to ensure that it is not improperly used, even if you kept the license plates.

[**Watch Your Car Program**](#) - This is a voluntary vehicle registration program to help deter auto theft and recover stolen vehicles more quickly.
